Project Update Letter

Date: 17 Octobr 2026

Dear Mr. Sharma,

Thank you for your continued suport of the Riverside Library renovation. We are pleased to share the latest progress with you.

The construction team has completed the foundation work and the new reading hall is now taking shape. Despite some delays caused by heavy rain in September, the project remains within its approved budget. We expect the main building to be weather-tight by the end of November, after which interior work on the children's section, the study rooms and the digital media lab will begin. A public open day is planned for early spring so that the community can see the new spaces before the official opening.

The total amount spent so far is Rs. 4,25,000, and the remaining work is estimated to cost Rs. 6,10,000.

If you have any questions, please feel free to contact me at any time.

Warm regards,

Anita Rao

Project Coordinater, Riverside Library Trust
